

MerleFest 2022 Safety Protocol

(as of December 6, 2021)

MerleFest takes pride in providing a safe and family friendly environment for all participants. Currently, high-ranking public health officials and participating artists are requesting that all who attend MerleFest 2022 provide either proof of full vaccination or a negative COVID-19 test within 72 hours of entering the event. Masks are also currently recommended for inside gatherings and on shuttle buses. MerleFest organizers are working daily with state and local health officials, in accordance with CDC guidelines, and appreciate in advance the patience and support of all participants. **Festival safety protocols will be reviewed weekly and are subject to change. Updates will be made as necessary or directed.**
